The support of family is crucial to patient healing, and we're here so families can remain close to medical care and to each other during their most challenging times.

RHMC POP TABS PROGRAM

Little things can make a big difference.

You can help support the Ronald McDonald House by collecting the tabs from aluminum cans. The funds generated from recycling help offset the House's expenses. Collecting tabs can be an easy and fun project. Many groups such as schools, corporations, clubs, and communities participate in this program and it's a simple way to make a big difference. Collecting pop tabs is a great program that benefits the Ronald McDonald House families and is easy to organize. Your aluminum can tabs go a long way with Ronald McDonald House Charities of Western Montana. Those tabs, when recycled, help cover some of our operational costs.

Why pop tabs and not the entire can?

Because pop tabs are smaller and easier to store. The tabs are also paint free and pure aluminum, which increases their value and profit when recycled. So pull your tabs for the Ronald McDonald House, but be sure to recycle the cans.

Pop Tabs will be taken at the counter of your local DSG branch or can be sent back to the branch with a Delivery Driver.
