DSG is excited to announce we are collecting donations for the Ronald McDonald House Charities in Madison, Wisconsin.

Thousands of families travel to renowned area hospitals when their child is ill or injured. Since 1993, Ronald McDonald House Charities of Madison has provided a continuum of care for those who live hours or even a plane ride from their child's treatment.

Through the Ronald McDonald House® and Ronald McDonald Family Room® at SSM Health-St. Mary's Hospital, a compassionate environment provides families a place to rest and restore while remaining close to their hospitalized child.
